Time for talks

-
- Do you experience (sudden) changes in your life?
 - Are you troubled by issues in your intimate relationship or family?
 - Are you part of escalating conflicts and constant misunderstandings?
 - Are you seeking ways to live life more happily?

We are a team of marriage- and couples counsellors (university degree or similar qualification).

We invite you to join us in exploring new life avenues and to view life from different angles.

For that, we offer you our experience and our professionalism.

You decide which topics to discuss, which way we go.

We provide counselling to anybody, regardless of their nationality, religion or political and sexual orientation.

We offer Counselling in English and German in the following areas:

- Individual Counselling
- Couples Counselling
- Family Counseling
- Separation- and Divorce Counselling
- Mediation

Furthermore we offer in German:

- Self-awareness groups
- Psychoeducation through seminars, workshops and public talks

Other languages for individual and couples counseling include: French, Luxemburg, Russian, Spanish, Turkish.

Persons with hearing impairments can get psychological help in DGS and LBS (German).

Additional information can be found on our website („other languages“).

Appointments can be made directly with our secretaries.

The secretaries speak German and English.

You can also use the contact form on our website.

Your first counselling session is dedicated to make an individual assessment of your counselling needs and to establish a counselling relationship.

We will then decide together on how to proceed.
